

**2018 Box Top Homeroom Challenge
August - October 17
Winner Announced on October 22nd**

Our 1st Box Top Homeroom Challenge at TRMS for 2018 is here!

Our goal is to reach \$1,000 to support all the programs PTA supports for our students. Clipping 10 Box Tops is \$1. Clipping 25 Box Tops is \$2.50. Clipping 50 Box Tops is \$5. See how it can add up quickly? If 400 students at TRMS can clip and bring in at least 25 Box Tops, we will reach this \$1,000 goal.

For this challenge we will have a cookie party for the top homeroom in 6th, 7th, and 8th grades!

Box Tops can be placed on collections sheets with tape or glue (no staples) which you can download from our www.TRMSPTA.com website under the Quick Links. Box Tops should be grouped in 10s, 25s or 50s on collections sheets or in snack size Ziploc bags. To learn more about collecting Box Tops, clipping, and earning more for our school, go to www.btfe.com.

Just be sure to include your name, homeroom teacher's name, and grade on the collection paper or bag or envelope so the class gets the credit. No stapling Box Tops please and check your expiration dates to make sure the Box Tops are not expired and are visible.

Start sending in your Box Tops now to homeroom teachers.

Thank you for your support.
