Principals Update

Mr. Parker spoke about the TRMS rebranding and reviewed the vision, mission, and motto for the TRMS community. He shared that TRMS staff contributes the most in charitable donations across Fulton County Schools. TRMS started Employee of the Week parking this year for teachers. iReady testing just occurred; this is done in the fall and in the spring and it is also a good indicator of how students do on the Georgia Milestones in the spring. The school is implementing a program to allow teachers to observe other teachers as a peer program.
